Neighborhood Watch is a crime prevention program that educates and enlists the active participation of residents in cooperation with local law enforcement to reduce crime, solve problems, and improve the quality of life in the community. In it you will get to know and work with your neighbors, and learn how to:

- Recognize and report crimes and suspicious activities
- Protect yourself, your family, and your property,
- How to work effectively with local authorities

Please feel free to contact email us at kre-watch@kreha.org with any questions.
